

# DONATION REQUEST FORM

Health Depot is dedicated to giving back to Sebastian County by supporting its many organizations and causes. In the past 22 years, Health Depot has contributed thousands of

dollars back into our community through programs such as local schools and PTA programs, ministries, baseball, softball and soccer programs, county fair (FFA), Good Samaritan clinic and more.

In order for us to focus our resources and maximize our impact on the community, requests for donations must be submitted via this form for any requests for donations.
