

John Deere Equipment

Approved Supplier for Trinity/HPSI members

Our goal is to make purchasing easier for you!

Discover all the tough, ready and reliable equipment your tasks demand, from a full line of commercial mowers and Gator™ Utility Vehicles to Compact Tractors and compact construction equipment – plus enough attachments and options to tackle just about any job you have to complete. When you get John Deere equipment, you also get a whole network of hardworking John Deere dealers – knowledgeable professionals who understand your requirements and go out of their way to help with repairs, service, advice, financing options and whatever else it takes to keep downtime to a minimum.

Your Trinity/HPSI affiliation entitles you to a Special Discount program for equipment you purchase for your facility. Your John Deere dealer can help you ensure you have the right piece of equipment for the right price. Our joint commitment is to provide you with the best value while making the purchasing process simple and easy.

A true partnership is more than just a simple transaction. We will work together with our Dealer network to find the best solution to get you the right equipment for your grounds.
