future qualifying paint purchases.*

¹**Paint Discounts** – Qualifying purchases of paints, stains, primers and re-surfacers (liquid only). Paint discount of 20% is realized at point-of-sale discount on paint purchases online or in the store.

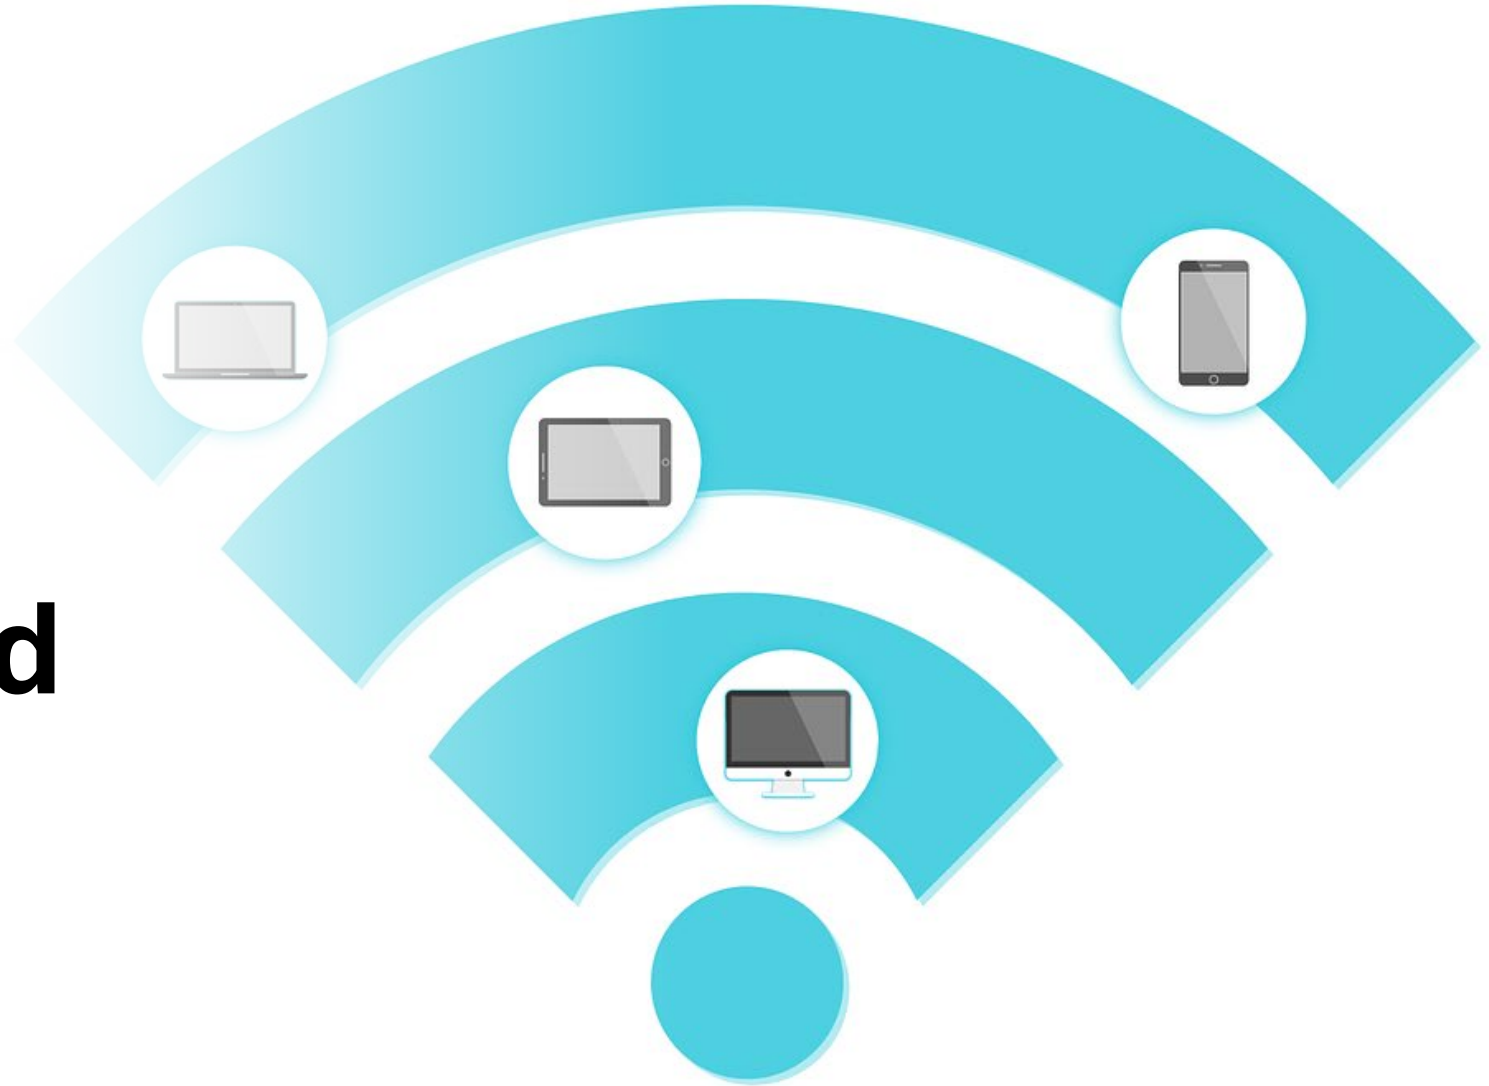

²**Trinity 20% Paint Discount** – Members must notify Trinity that their Pro account on lowes.com has been linked to the Trinity program in order to receive a 20% paint discount. Notification can be made by phone at 615-672-0229 or by email to rich.lowry@trinity-usa.net.

How the Trinity Lowe's Discount Program Works

- The Trinity Lowe's for Pros program code immediately unlocks pricing discounts of 5-20% on everyday purchases through lowes.com.
- The program eliminates the \$2,000 minimum order, lag time, and sunset clause of going through the in-store quote process at Lowe's. You are accessing the highest discounts at your fingertips 24/7!
- The Trinity Lowe's Commercial Account program code activates a 2% statement credit on your account.
- Trinity program users enjoy a 20% discount on paint.
