Hank's

CATERING MENU

Hank's is named after co-owner Andy's grandfather, Henri, known as "Hank" by family and friends. Hank was fun-loving, full of life, and had the best sense of humor. You could often find him dressed down in a striped t-shirt after work, tending to his show horse, Queen B, or shag dancing with his love, Mary.

Hank loved good food, wine, and entertaining friends and family. One of his favorite things was bringing people together over food and music. He loved to throw tons of parties—they'd spill out to the driveway!

A few years ago we opened Hank's as a neighborhood restaurant, bar and cafe. Located in the Windsor Park neighborhood of Austin, we offer everything from California style comfort food like grain bowls and gourmet burgers to fresh seafood, wood grilled salmon, and an unbeatable happy hour (did someone say frosé!?). We make everything in-house, including bread, pastas and pastries.

We recently started Hank's Catering to help make it easier for all those Hank's out there that love to throw tons of parties to take away the burden of cooking and allow even the hosts enjoy the parties they throw just like their guests do. We are here to help you entertain! Whether you are hosting a small birthday party, conducting an office meeting or planning a full-service wedding, we want you to let us help. We have some great menu offerings laid out for any budget, and we are happy to curate a custom menu to fit your event if needed. Let Hank continue his legacy of entertaining with good food and wine by being a part of your next event.
