# What is Convenience Packaging?

---

- Groups medications together by time of day administration
- Color-coded, easily detachable & portable
- Customized to the patient's medication regimen
- Prepared & Packaged by a pharmacist
- ***Personalized*** pharmacy care

**Color coded by  
time of day**

**Detachable  
and portable**

**Convenient  
packaging**

**Filled by  
your  
pharmacist**

# Frequently Asked Questions

---

## **What is the cost?**

- This is a FREE service to the patient. The only cost is medication copays.

## **What happens if a medication changes?**

- Because the packages come with extensive descriptions of the medications included, medication changes are easily rectified through communication with the pharmacist, patient, and/or responsible party.

## **How long does it take for the medication to arrive?**

- About 2-3 business days

## **Can you package supplements?**

- Yes! Although there is a \$3-5 fee per supplement because insurance does not cover.

## **What about PRN medications?**

- They will be packaged in a separate card or bottled like normal, per patient request.
