Great Opportunity

Current ownership's annual Seller's Discretionary Earnings is approximately \$60,000 pursuant to a very limited part-time commitment. If a new owner desires to assume either the Managing Director or Administrator role, such may be increased to exceed \$100,000. Additionally, current ownership has been lax with its marketing efforts the past few years.

If you have an interest in further exploring this opportunity, please contact me by phone or email. The signing of a Confidentiality Agreement will be required.
