

BUSINESS OFFERING SUMMARY

BNO
Business Network of Ohio

John Naayers, President

Cutting Tool Manufacturer & Machining Northwest Ohio

Business Description / History / Services / Products

This little money-making machining company commenced pre 2000 originally manufacturing jigs, fixtures, wear parts, tool holders, and prototypes, which it continues to do, but it eventually grew to specialize in manufacturing high quality speed steel, carbide tipped and solid carbide tooling (cutting tool products). It also resharpens all of its manufactured tools for its customers.
