

Jester King Bake at Home Pizza Instructions:

- Preheat the oven to 400° F.
 - (Optional: follow pizza stone directions if you have one)
- Place pizza on pizza stone or on a parchment lined sheet pan.
- Place pizza in the oven, monitoring while cooking so as to not overcook.
- Pizza is finished cooking when the cheese is bubbling, and the crust is crispy. Can take 4 to 8 minutes.
- Cut pizza and add included post-bake ingredients.
