Subject: Notice of Essential Employer
Attachments: [Essential-Employer-Letter_OCP.pdf](#)

Team:

The Ohio governor has determined that “construction” is essential for the state and our communities' health and ongoing endeavors. OCP has elected to maintain these “essential” services per the governor’s request. We must be prepared for emergency construction of hospitals, other facilities for our healthcare providers and provide for the needed infrastructure of our communities. In many ways, we are front line responders and due to this, it is important to continue all projects so that we can mobilize in an emergency. Attached is a letter to save to your phones or print out as proof that you are an essential employee and information if your employer needs to be verified. Let me know if you have any questions.

Siccorah Martin, JD

THE CONTRACTOR OF CHOICE ®

March 23, 2020

The individual presenting this document is currently an employee/contract/temporary team member working with OCP Contractors Inc. at our facility in the area. As you are aware, even with the recent restrictions on work and travel outside of the home, our facilities remain open during the COVID-19 outbreak to provide essential services and products to our communities.

This individual is currently with the OCP Contractors Inc. team that supports this effort. Their work in our facility is essential in supporting our community and providing essential products and services during a state of emergency.

If confirmation of status or additional information is required by a company representative, please contact:
