GLOBAL DISASTER SOLUTIONS

# QUALITY CONSTRUCTION FOR THE FUTURE OF YOUR BUSINESS

**INDUSTRIES SERVED:** HOSPITALITY | MULTIFAMILY | EDUCATION | HEALTHCARE | GOVERNMENT | RETAIL

## BENEFITS OF CHOOSING COTTON:

- A single point of contact for your entire project
- Assurance that your building can remain occupied and functional while construction is ongoing
- Off-hours construction for completion of loud or disruptive projects
- Flexibility to add projects as work progresses
- Professional, safety-focused workforce

Cotton Global Disaster Solutions does more than handle restoration after disasters. We also specialize in providing full-service general contracting and construction services globally. Cotton GDS has decades of experience performing commercial remodeling and capital improvement projects with little to no interruptions to clients' operations. Whether that means working outside of business hours or prioritizing work areas based on your team's needs, Cotton GDS designs a custom plan and timeline that works for you. Your designated team will also help with permit acquisition, planning, construction management, and labor, so your teams can focus on their daily tasks that move the business forward.

Because agility is quintessential to our business, you can rely on us to get your project done efficiently, correctly, and on-time.
