At which time, the renter will pay applicable costs such as the remainder of their balance on the rental cost, wine purchases, and/or additional penalty charges set in this agreement. Alcohol Policy:

Forest Edge Winery offers three bar types for private events. Wine glasses are provided for use during event. Wine glasses can be purchased for \$9.95 per glass.

Cash Bar: Guests of the renter are responsible for purchasing their own beverages by the bottle or glass for the duration of the event. The renter incurs no charges for opened bottles.

Open Bar: The renter is responsible for payment for all wine opened during the event. The renter may choose a specific list or allow all wines to be ordered by guests. The renter will be charged for any opened bottles. Payment will be taken at the end of the event time with the held card or cash.

Drink Station: The most popular option! The renter purchases a set number of bottles for their guests to serve themselves. Guests have the option to purchase different/additional wine by the glass or bottle if they choose. The renter is responsible for payment for only the bottles they order for the drink station. Large wine chiller available upon request. Ice not provided for use in chiller.

Last call is 30 minutes before your event time ends. Unopened bottles can still be purchased to be taken off premises. Opened bottles must be recorked to take off premises legally.
