Date: January 8, 2026

Date Effective: Calendar Year 2026

Data Compiled Calendar Year 2025

ACP International, Inc.
525 N. Great Southwest Pkwy
Arlington, TX 76011

To Whom It May Concern,

Subject: Build America, Buy America (BABA) Compliance Certification for Manufactured Products.

Manufactured By: ACP International, Inc., dba or branded as ACP International, SA-SO, Capital Streetscapes, Concrete Graphics, and Stonehouse Signs.

Product Information:

Products listed below are divided into 5 distinct categories as they relate to specific types of infrastructure products. Most ACP products have some level of customization, resulting in thousands of part numbers with very similar construction. Specific part numbers, if needed, can be listed below the general categories.

- 1. Utility Infrastructure Marking Products:** Signs, Decals, and Tags that identify telephone and fiber optic networks, pipelines, electric and municipal utilities.
- 2. Traffic Control and Traffic Calming Products:** Traffic and Street Signs, reflective or lighted. Radar Feedback products. Pedestrian Crossing Signs.
- 3. Neighborhood Beautification Products.** Ornamental Sign Posts, bollards and decorative signage, commonly referred to as StreetScapes.

4. **Commercial and Industrial Identification Products:** Building and Parking Lot identification and wayfinding signs. Safety Signs, Decals and Tags. Equipment labels, Parking lot products.
5. **Fiber Optic Splice Sleeves and Accessories:** Single Fusion Splice Sleeves, Mass Fusion Splice Sleeves, melttable adhesive and heat shrinkable tubing.

Specific Part Number: Optional Category 1

Specific Part Number: Optional Category 1

Compliance Details for Manufactured Products:

In accordance with the BABA Act requirements for manufactured products, the following criteria must be met::

1. The product is **manufactured in the United States**.
2. At least **55% of the total cost of components** used in the product is attributable to components that are mined, produced, or manufactured in the United States.

Conclusions:

This letter and audit documentation below certifies that the manufactured product(s) listed above comply with the requirements of the Build America, Buy America (BABA) Act, as mandated under Section 70914 of the Infrastructure Investment and Jobs Act (IIJA).

We acknowledge that this certification may be subject to audit or verification. We have prepared additional documentation and compiled data that confirms compliance. This information is considered proprietary but is available upon request with a signed confidentiality agreement.

We are pleased to support domestic manufacturing and to uphold federal compliance standards.
