FUNDING GUIDELINES

Please read this list carefully to insure that your request is in compliance with the guidelines of the Foundation.

- 1. Please deliver one original and ten (10) stapled or bound copies of the completed grant application to the Big Spring Area Community Foundation office, 707 Scurry Street, Big Spring, TX 79720 during regular office hours. Your Grant Application **MUST** include a copy of your IRS 501(c)(3) letter unless the application is on behalf of a governmental entity.**
2. Applicants for funding must be tax exempt under the provisions of section 501(c)(3) of the Internal Revenue Code, or be a local governmental entity. Limit one application per organization. The Foundation considers requests for funding from non-profit organizations and governmental entities that can demonstrate a benefit to the residents of the Big Spring Area, including all of Howard County and all contiguous counties. The Foundation's funding objectives include groups that provide programs or services in the areas of art and culture, health and human service, education, environment and sports. The Foundation will consider all properly submitted Grant Applications, but favors requests for specific projects or capital asset acquisition rather than merely request funding for operational budget shortfalls.
3. Individuals will not be considered for funding. All scholarship awards are made directly by or through the local high school administration and counseling departments.
4. The Foundation considers grant applications once per year. Requests received outside of the designated time will not be considered.
5. This application will be your sole source for funding requests from the Foundation. Presentations will not be part of this process. However, the board reserves the right to request a presentation from, or a meeting with, an organization at a time it deems necessary in making funding decisions.
6. If you received funding from the Foundation in a previous year, a report of grant monies expended as a result of that grant must be submitted prior to or with your current application.
7. The submission of a Grant Application to the Foundation authorizes the Foundation to conduct an audit of the Applicant's books and records relative to any approved Grant Application and associated project(s).
8. The Foundation will make every effort to determine grant recipients during the month of May each year. All successful applicants will be notified of the Foundation's funding decisions as soon as practical. All funding decisions by the Foundation will be considered final.
9. The Foundation will not participate in any political campaign on behalf of any issues or candidate. The Foundation does not fund religious institutions and/or organizations.
10. All grant recipients will provide progress reports on the use of the grant funds, not less than every six months.
