

Hurricane Yutu Vulnerable Population DAFN Resources Report

Public Activation: Commonwealth of Marianas

DAFN Report October 31, 2018

Disability, Accessibility, Functional Needs Resources

Prepared by: Humanity Road / Animals in Disaster / DAFN Ready

Overview

The report includes island government links, food assistance resources, healthcare facilities, mental / emotional health resources, transportation links, and resources for people with special needs including children and senior citizens. We are providing this report as a service for vulnerable population preparedness initiatives across the region. It can be stored and leveraged for real-time events or needs.

Introduction

This report lists helpful resource links for people with Disabilities, Accessibility, and Functional Needs (DAFN) in the Commonwealth of Marianas . It includes island resources and links for the following islands: Guam, Rota, Saipan and Tinian.

Resources include state and county government links, food assistance resources, healthcare facilities, mental / emotional health resources, transportation links, and resources for people with special needs including children and senior citizens.

A great resource for vulnerable populations is the Disability Resource Directory produced by the CNMI college. You can download the PDF here

http://www.ovrgov.net/resources/files/DNP_Resource_Directory-2017.pdf
