To Whom It May Concern:

I, Jack Chelbus sold my commercial cleaning business, on May 1, 2021. I am very pleased with the way everything went. The whole process was very quick and very simple. I enjoyed dealing with Bob Armbruster and all of his staff. They are very professional and pleasant to work with, straight forward and were willing to work with me to make this transition as painless as possible for me. They have honored every commitment they made to me.

All my former clients have accepted Clean Team and are moving forward with their commitments. They are looking forward to a long term relationship with all the members and staff of Clean Team.

I recommend to anyone selling their cleaning business, that Clean Team will be successful in treating your previous clients and you current staff, with the utmost professionalism as you did. It is hard to let go of a business that you built, but I trust and believe that Clean Team is the one company that can carry on your business to an even greater level.

Sincerely,
