

We are pleased to welcome you to SyncRx, our coordinated refill program. The SyncRx Program will streamline medication management for you by synchronizing all of your prescriptions for filling on a monthly or quarterly basis according to your insurance benefit.

Advantages

- Automatic processing of your prescriptions with attention to the details of your prescription needs.
- Notification when your order is ready to pick up.
- Increased convenience by limiting your trip to the pharmacy to every 30 or 90 days depending on your insurance benefit.
- Peace of mind in getting all of your regularly scheduled medications on time and in one single order.
- Personalized contact with one of our pharmacists to ask questions and discuss medications.
- Reassurance that we will alert you in advance when new prescriptions are required to continue therapy.

I understand the program advantages and the following conditions of participation to achieve the maximum benefits from the SyncRx Program.

I hereby agree:

- To accept a phone call each month or every quarter from the pharmacy to discuss my prescription refills.
- To pick up the medications within 7 days of my assigned refill date.
- To pay an extra copay one time for each medication or receive a shortened supply of medication if necessary in order to make all refills due on the same day.
- To keep an open dialogue with my pharmacist regarding doctor appointments, hospital/urgent care visits, and changes in my health status.
