

Frequently Asked Questions - Skip's 360

1. What exactly is Skip's 360?

Skip's 360 is a "good health" program aimed at providing cost savings and convenience to our customers. It features one-year prescriptions on most medications, eliminating the need for multiple co-pays and frequent trips to the pharmacy.

2. How does the program work?

Once enrolled, you can get one-year prescriptions on most medications prescribed by your healthcare provider. You'll receive your entire year's supply in one visit, saving you time and reducing hassle. Additionally, you can enjoy the convenience of free delivery of your medications.

3. Is there a cost to enroll in the program?

No, there is absolutely no cost to enroll in the Skip's 360. We believe in making healthcare accessible and affordable for everyone, which is why we offer this program at no additional charge.

4. Are there any additional benefits to enrolling in the program?

Yes, there are several additional benefits to enrolling in Skip's 360:

- Free multivitamins for a year to help you maintain your overall health and wellness.
- Buy One Get One Free offers on many Good Neighbor® Pharmacy over-the-counter items, providing you with even more savings on essential healthcare products.

5. Is the program only available to individuals with insurance coverage?

No, Skip's 360 is available to everyone, regardless of whether or not you have insurance coverage. We believe that everyone deserves access to affordable healthcare, and our program reflects this commitment.

6. How do I enroll in the Skip's 360 prescription drug plan?

Enrolling in our program is easy! Simply visit our pharmacy and speak with one of our friendly staff members. They will guide you through the enrollment process and answer any questions you may have.

7. Can I transfer my existing prescriptions to the program?

Yes, you can transfer your existing prescriptions to our program. Simply provide us with the necessary information, and we'll take care of it.

8. Can I still use my insurance benefits with the program?

Yes, you can still use your insurance benefits with our program. We will work with your insurance provider to ensure that you receive the maximum benefits available to you.

9. How do I refill my prescriptions once enrolled in the program?

Refilling your prescriptions is easy! Simply call our pharmacy, or use the convenient "PocketRX" App, which can be found in the App Store or on Google Play.

10. Is there a limit to the number of medications I can enroll in the program?

There are no limits to medications you can enroll in our program. Whether you have one prescription or several, we'll help you manage your medications conveniently and affordably. If you have any further questions or need assistance, please don't hesitate to contact us. We're here to support you on your journey to better health.
