BARBECUE!**

**GOOD VIBES, GREAT BARBECUE!**

Metcalf Barbecue is a new name, but I'm sure y'all know us. We've been Stubbs, and Do-Rite; and both names we had to surrender to companies larger than ourselves. Lynn Metcalf began at the Stubbs downtown in 2006, and has been working on this project, along with veteran pit boss Marciano Ortiz, since it's founding in 2015. Our name may have changed but our commitment to being part of a team we love, doing good work and putting out delicious Texas barbecue hasn't wavered.
