ABOUT US

Summit Salon Academy Tampa is a premiere beauty school in Tampa Bay.

We partner with Redken 5th Avenue NYC, Dermalogica, Essie, OPI, MUD Make-up Designory and Summit Salon Business Center to provide an educational experience that is unparalleled in the beauty industry.

Each day at Summit Salon Academy begins with one question:
"What difference will you make in the World?"

Our community of salon professionals and faculty reflect a world of talents. Summit Salon Academies go inside the issues that matter-and teach you to reach inside yourself for the strength, skills, and confidence you will develop to face them. Through intelligent communication and superior technical training, you are asked not only to study leadership, but to demonstrate it.
