

PREMIUM COMPOUNDING

Penn Vet Supply is now partnered with Premium Compounding!

Now available through pennvet.com, you have exclusive access to ordering your compounding medications alongside your other supplies - 24/7/365!

- ◆ No need to visit another website, set up a separate account, or pay a separate bill - products are billed using your current Penn Vet account terms.
- ◆ The below icons will symbolize compounding is available for that medication and in what formulations.

Capsules

Injections

Ophthalmic Ointments

Ophthalmic Solutions

Oral Suspensions

Otic Suspensions

Paste

Powder

Sprays

Subconjunctival Tablets

Tablets

Transdermals

Patient and prescribing information can be conveniently saved on our site and products can be shipped to your veterinary hospital or directly to the pet owner!

Premium Compounding is a compounding pharmacy you can trust! With over 100 years of collective compounding pharmacy experience, and certifications in both the 797 and 795 sterile and non-sterile environments, Premium Compounding has built a reputation with their clients of trust and quality. They are our partner of choice because we believe they share our dedication to customer service and care.
