

Spring Flower Sale Plant Options *(continued)*

10" Household Hanging Baskets: \$16.00 each

Boston Fern

Ferns thrive in moist, shady outdoor areas, but the lush green foliage can also grow well in a hanging pot either indoors or outdoors. Requires indirect light, likes high humidity, and needs good drainage. Keep soil evenly moist.

Wandering Jew

Requires 4-6 hours of indirect sunlight daily, allow soil to dry slightly between watering. Full sun will cause leaf burn.

Spider Plant

Excellent plant choice for the novice gardener. Requires 4-6 hours of indirect sunlight daily, allow soil to dry slightly between watering.

Swedish Ivy

Excellent plant choice for the novice gardener. Requires 4-6 hours of indirect sunlight daily, allow soil to dry slightly between watering.

10" Annual Hanging Baskets: \$25.00 each

Petunia

This hearty plant is a summertime favorite. Enjoy full-sun and well drained soil. For best outcome, keep soil moist but never soggy. Pinch off dead flower heads to encourage new blooms.

Bonfire Begonia

With its bright red blooms, this plant with flower all summer long! Hang this basket in full to part-sun to help keep leaves dry and free of excess moisture. Will not tolerate over watering.

Torenia

Also known as the "clown flower" for its cheery and quirky look. Needs to be in part-shade to shade and kept well watered. Torenia's are a hummingbird favorite!

- All Spring orders must be submitted no later than 5pm on Saturday, May 5.
- Orders will be available for pick-up on Saturday, May 12 between 9am-12pm at Able-Services.

2018 Horse Show Team

Spring Fundraiser

The Leg Up Farm Horse Show Team is partnering with Able-Services to provide you with a wide variety of plants. Two sales and pick-up options are available! Select one sale or purchase flowers from both. All proceeds directly support the horses and members of this year's horse show team.

- Professionals recommend waiting until Mother's Day to move plants outdoors to minimize exposure to frost and low temperatures.
- Flower colors based and selected on availability.

Easter Flower Sale Options

- All Easter orders must be submitted no later than 5pm on Friday, March 23.
- Orders will be available for pick-up on Friday, March 30 between 4-7pm in the barn.

Spring Flower Sale Plant Options

Market Packs: \$4.00 each

Alyssum

Few annual plants meet the heartiness and drought intolerance of sweet Alyssum. With lightly scented flowers, it is a great addition to rock beds, borders and dry zones. Full-sun to part-shade.

Petunia

This hearty plant is a summertime favorite. Enjoy full-sun and well drained soil. For best outcome, keep soil moist but never soggy. Pinch off dead flower heads to encourage new blooms.

Coleus

Stunning colors foliage with combinations of green, yellow, pink, red and maroon. Partial shade, well-drained soil.

Snapdragon

Provide a range of cool season color. Best in full-sun with well-drained soil. These plants can handle early spring frost. Plant early for most abundant bloom and performance.

Marigold

These bright blooms are commonly gifted for Mother's Day or grown for school projects. Enjoy full-sun and dry or moist soil.

Vinca

This easy to care for plant features starry flowers and glossy leaves. Partial shade or partial sun. Be careful not to over water as this plant prefers dry soil.

Annual 4" pot: \$3.00 each

Lime Green "Angelina" Sedum

This sun-loving, ground hugger is loved for its bright, chartreuse foliage that retains its color all year long. Although it only grows 4 inches tall, "Angelina" can spread 2 feet wide. Excellent accent plant for containers.

Creeping Jenny

Groundcover plant can be lime-green tones and forms a golden carpet throughout summer and fall to light up the ground. Can also be used as an accent trailing plant in hanging baskets or containers. Tolerant of both low and high light conditions.

Gazania Daisy

This cheery flower is perfect for the sunny garden or in a container. Perfect for the gardener without a lot of free time as this plant needs little care to maintain it. Tolerant of heat and poor, dry soil.

Vinca Vine

This leafy vine is the ideal addition to any planter or hanging basket! Blue flowers appear in early spring. With moist soil, it can be grown in sun or shade.

Wave Petunia

Add an eye-catching pop of color with the Wave Petunia. You cannot go wrong no matter where you plant it: garden, hanging basket or planter! Full-sun with moist, well-drained soil.

Lipstick Vine

Trailing vines are thickly covered with leaves and red, tubular flowers. Bright indirect sunlight, full sun may cause sun burn, allow to dry slightly between waterings for best results.

Spring Flower Sale Plant Options *(continued)*

Premium Annual 1 qt. pot: \$6.00 each

Dahlia

Sturdy plants with gorgeous starburst blooms. Be sure to keep weed free and well watered. Dahlias need to be planted in well-drained soil and full-sun.

Lantana

Lantana have long been admired for their extended bloom time and ombre coloration. This favorite of butterflies does best in sunny areas with well-drained soil.

Coleus

Stunning colors foliage with combinations of green, yellow, pink, red and maroon. Partial shade, well-drained soil.

Angel Wing Begonia

This plant likes bright indirect sunlight to partial shade with moist but not soggy soil. Leave dry out between watering. Beautiful orange to red blooms all summer long. Stems have angel wing shaped leaves.

Red Canna

Tropical-like foliage and large flowers that resemble the iris. Low maintenance and easy to grow, and offer long-lasting color in the garden. In cooler areas, can be grown as annuals and letting them die back, or digging and storing to replant in the spring. 3-5 ft in height at maturity.

Gerbera Daisy

Originating in South Africa, these bright and cheerful plants are a favorite for many! Plant in full-sun and water the base of the plant in the morning to keep plants happy and fungus-free.

Pink Mandevilla

Requires a minimum of 4-6 hours of direct sunlight a day for continued flowering. Allow soil to dry slightly between watering. Can be brought inside for winter and returned outside in spring after last frost

Elephant Ears

Tropical plant that grows from tubers or bulbs that grow in partial shade to full shade. Keep soil moist. Before first frost move inside or dig up and store. 18-36 inches in height.
