

Cost Savings Realized

Inbound Freight

ONE

truckload of CoolSeal USA packaging

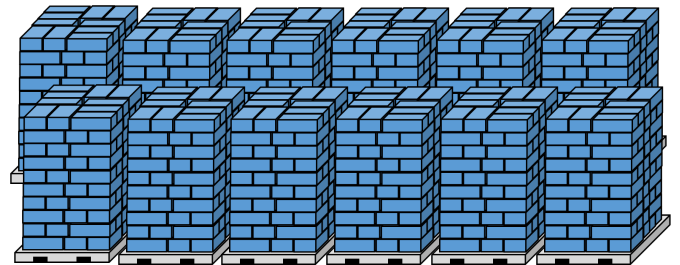

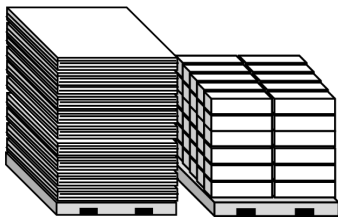

is equal to **SEVEN** truckloads of EPS

Storage

ONE

pallet set of 10# Portion Boxes

is equal to **TWELVE** pallets of EPS

Disposal

CoolSeal USA seafood packaging is

100%

recyclable. Whether it

is curbside by the end consumer or bailed and sold by the wholesaler, recycling is a readily available option and an important aspect of the circular economy for polypropylene resulting in a reduction in disposal costs.
