USASF RULES:

CROSSOVERS

An individual will not be permitted to crossover from one program to another within the same event (Exception: An athlete from one gym without a Level 6 team may crossover to **one additional** gym's Level 6 team provided (s)he meets the age requirement for a Level 6 team.

For the 2015-16 season, an all-star cheerleader is limited to crossing over to **2 (two)** additional cheer teams from their gym per competition. Therefore, an athlete may compete on one team and crossover to two more teams from the same gym during the competition.

An event producer may choose to be more restrictive than the rules above for crossovers limiting the number of teams an athlete may crossover to further; however an event producer may not be less restrictive than this.

Crossover limitations above do not include athletes that crossover from cheer to dance.

Crossovers between all-star prep and traditional all-star are not permitted at the same event.
