

COMMITTEE REPORTS

HEALTH, SAFETY & ENVIRONMENT COMMITTEE

J.K. Wilson, Pioneer Natural Resources

The HSE Committee meets on the second Thursday of every other month. The Committee is a forum for HSE professionals and other stakeholders from PBPA member companies to discuss challenges, share best practices, and collaborate on initiatives to improve safety and environmental performance in the Permian Basin.

The HSE Committee submits the following quarterly report detailing the Committee's activities in the first quarter of 2019 and those planned for the coming quarter:

Committee Meeting: January 10, 2019

- Reviewed and finalized 2019 committee meeting calendar
 - 4 best practices sharing session
 - Short Service Employees – March 14
 - Incident Investigation and RCA – May 9
 - Emission Management – September 12
 - Lone Workers – November 14
 - Regular meeting time is now 2:00 to 4:00pm
- Discussed committee projects planned for 2019

Committee Meeting: March 14, 2019

- Best Practices – Short Service Employees
 - Facilitated by Mark Mitchell, ProPetro Services
 - Presentation followed by roundtable discussion

Current Projects & Initiatives

- 2019 Benchmarking Study – The collection request for 2018 HSE data went out on March 25, and the deadline for submittal was April 11. The data are now being reviewed. Results will only be shared with those member companies who chose to participate.

The HSE Committee thanks Aaron Wilson with Parsley Energy and Stephen Robertson with PBPA for heading up this year's study.

Current Topics of Discussion

- Health & Safety – short services employees, contractor safety, fire resistant clothing, lone worker safety, underground utility damage prevention
- Environmental – EPA NSPS OOOOa, TCEQ stack height requirements, Waters of the US, secondary containment, underground utility damage prevention, RRC Online Inspection Lookup (OIL) database

Upcoming Meetings:

- Thursday May 9, 2019, 2-4pm, Pioneer Natural Resources office
