With a House Band add-on, local musicians play the musical houses in an engaging, immersive performance. Or get your team in on the fun with interactive demonstrations! Starts at \$2200

TEAM BUILDING

Our community of musicians and teaching artists can craft a day's worth of team building activities to challenge and excite your crew with:

- Songwriting and improvisation
- “Battle of the Bands” style competition
- Make your own Mardi Gras-esque costume pieces, and more!

Encourage your brand professionals to think outside the box!

INDOOR FACILITIES

If rain or inclement weather is in the forecast, we activate our rain plan. You can rent tents, and/or utilize our Indoor Warehouse Space.

Our indoor arts industrial space opens to the Village, so guests can view and access the site during breaks in the weather. It connects to our bathrooms and waterfall sink.

Decor includes the original Music Box fence by international street artist & project co-founder Swoon, as well as crab trap and trawler chandeliers hung from our 5-ton cranes. We feature a purple piano played in the space by Norah Jones. Our team can create green room, lounge and altar-like set ups around the space based on your needs. Our studio is draped off by navy velvet theater curtains.

We accommodate a full bar, buffet dining, and live music/dance space for up to 150 guests indoors.
