

Sponsorship Fundraiser Explanation

I am excited to kick off our 2019-2020 season with our 6th Annual Sponsorship Drive Fundraiser. Each year VYSA relies on local business sponsorships to help with all of the costs associated with running a youth soccer organization. We opened up our sponsorship drive to our families so that they would have the opportunity to help us get sponsors and to have a fundraiser that would directly benefit the players of VYSA. This year we have 4 sponsorship levels available and that means that you have the opportunity to get more money added to your player's account** before the season even starts.

Here is how the Sponsorship Fundraiser works:

- For every Bronze Level (\$100) sponsor you are able to get, we add \$25.00 to your players' account.
- For every Silver Level (\$200) sponsor you are able to get, we add \$50.00 to your players' account.
- For every Gold Level (\$300) sponsor you are able to get, we add \$75.00 to your players' account.
- For every Platinum Level (\$500) sponsor you are able to get, we add \$100.00 to your players' account.

**Monies raised from VYSA fundraisers that are deposited to players' accounts are not eligible to be included in any refunds if you leave VYSA.
