Our group is less than 20, can we reserve the Platform?

Platform reservations are for groups of 20 or more.

That said, our main level bar is great for groups of all sizes and operates on a walk-in, first-come basis. We host lots of groups without reservations (and always appreciate a heads up!).

Can we stay in the space after our 3 hours is up?

If there's no reservation after yours, you're welcome to remain on the Platform, though reserved signage will come down and the space will reopen to the public. Either way, you're always welcome to stay in the bar.

Can my group pay individually if I put my card down for the minimum?

Orders must be on one shared tab until the minimum is met. After that, guests may open their own tabs!

How soon in advance should I inquire to book?

As early as possible - we book quickly, especially during the holiday and wedding seasons.
