

Your One Stop Shop for Pharmaceutical Compounding

chemicals • equipment • supplies • education • consulting • support

Trusted Since 1971

Spectrum has been trusted to provide the highest quality chemicals for nearly five decades. Today, we not only offer one of the largest selections of API's and excipients, but also the largest selection of equipment and supplies in the industry.

Since 2017, Spectrum Pharmacy Institute has offered hands-on, accredited, continuing education courses on a range of current topics: USP<800> Compliance • Sterile Compounding • Non-sterile Compounding • BHRT • Pain Management • Veterinary Compounding • Marketing

In addition to Buying Group discounts for chemicals, supplies/equipment and education, Spectrum also provides Technical Support and Formulations at no charge.
