

Kodak Moments

M1 Order Station

A compact printing solution for every space. Join the mobile revolution with an affordable system that can maximize profits.

Do you always aim to put your customer first? Now you can offer a world-class printing technology that deepens your customer relationships and translates to long-term success. The **Kodak Moments** M1 Order Station delivers a high-quality printing solution without a big investment in capital or floor space. Powered by the intuitive **Kodak Moments** Kiosk Software, customers can quickly transfer photos from their smartphones and create beautiful photo products in minutes. It's a great way to add a revenue

stream that both drives traffic and builds loyalty with customers who love new technology that's convenient and cool.

Accommodate a wide variety of customer requests.

Pair the M1 Order Station with the Kodak 305 Photo Printer to create beautiful prints, cards, and collages your customers will love.

Add value to your business with a low-stress income stream.

All you need is power and a few square feet. Choose from a countertop unit for desks or opt for the free-standing unit perfect for lobbies or reception areas.
