

# OUR PHARMACY SERVICES BUNDLE DELIVERS ALL KINDS OF ROI, INCLUDING— **MORE TIME FOR PATIENT CARE**

We know the financial pressures you're facing today have never been greater. That's why we created our new **Independent Pharmacy Services Bundle** — to help you improve productivity, drive traffic and grow revenue. Here's what's in the bundle:

## CONSUMER DRUG TAKE-BACK

This customer-friendly, secure medication take-back program generates publicity and goodwill in your community, supports your efforts to combat prescription drug abuse and helps protect the environment from the effects of improper drug disposal.

- Turn-key solution with all supplies included and no hidden fees
- Secure, ADA and DEA compliant disposal
- Drives increased awareness, foot traffic and prescription business

## Rx RECON AND COLLECTIONS

Inmar's Rx Recon and Collections Services mitigate receivables risk, improve cash flow and deliver critical business-building intelligence.

- Reduce DSO to 15-20 days and operations costs by up to 30%
- Experience an average of 20-50% reduction in write-offs
- Set the standard for PHI security as well as industry and peer benchmarking
- Ask about Inmar's Cash Rx Revenue Recovery offering to earn even more from cash transactions.

## Rx RETURNS

This proven Rx returns management solution— that's used to process almost 80% of all Rx returns nationwide— speeds credit recovery with minimal user effort.

- Clients earn 25% more credit than other processors
- Flexible on-site or off-site service model
- Data delivery portal with robust reporting and enhanced visibility
