# AquaSol<sup>Rx</sup>

## Why should I carry AquaSol Rx in MY pharmacy?

### ONLY SOLD TO INDEPENDENTS

Customers can ONLY get these products at YOUR pharmacy.

### CLINICALLY TESTED

Liquid Structure™ Technology (which makes CBD water-soluble) is currently being studied in 5 FDA sanctioned trials.

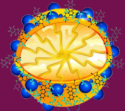

### PROFITABLE

Typically a 50% profit margin.

**"CBD has really been a great addition to our front-end."**

**-Cory (Owner of Wester Drug)**

## How to talk to my patients about AquaSol Rx:

### OILS ARE OBSOLETE

Why use messy, bad-tasting oils when you could take a convenient softgel?

### PATENTED TECHNOLOGY

Up to 10x greater absorption than any sublingual CBD oil.

### THC-FREE

This is a pharmacy, not a gas station.
