

CompleteCare

A centralized platform that empowers your pharmacy to manage high-value patients and transition to an appointment-based model with:

- Performance metrics
- Outbound voice/text communications
- Med Sync program
- Medicare Part D plan reviews
- Immunizations
- eCare plan
- Marketing

VRxAssist

Need help with your workflow transition? VRxAssist is a virtual team that acts as an extension of your pharmacy to:

- Enroll high-value patients into Med Sync
- Support a year-round vaccination program
- Conduct win-win Medicare Part D plan reviews
- Implement strategic marketing to engage and attract new patients
- Lower DIR fees
