COVID-19 Statement of Operations

March 26, 2020

At Lakeside Market & Pharmacy, we put our customers first. During these last few weeks, we've been focused on doing all the things needed to keep our customers and patients safe and healthy. Lakeside believes that everyone deserves to have access to essential commodities and pharmaceutical items, especially during times of uncertainty. That is why we will follow national trends very carefully and only set limits on products and pharmaceuticals that indicate potential shortages. That way everyone is likely to receive at least partial product fulfillment to sustain compliance during these shortfalls.

Rest assured we are closely monitoring this rapidly evolving situation and are working to ensure you have an adequate supply.

Currently we are maintaining our regular store & pharmacy hours:

STORE: Monday thru Saturday 7am to 8pm
Sunday 7am to 5pm

PHARMACY: Monday thru Friday 8am to 6pm
