INFORMED CONSENT

Patient Name: _____ **Date of Birth:** _____

AS REQUIRED BY THE TEXAS MEDICAL BOARD REFERENCE: TEXAS ADMINISTRATIVE CODE, TITLE 22, PART 9, CHAPTER 170 3 Rd
Edition: Developed by the Texas Pain Society, April 2008 (www.texaspain.org)

PLEASE INITIAL EACH PARAGRAPH SIGNIFYING CONSENT AND UNDERSTANDING

_____ **TO THE PATIENT:** As a patient, you have the right to be informed about your condition and the recommended medical or diagnostic procedure or drug therapy to be used, so that you may make the informed decision whether or not to take the drug after knowing the risks and hazards involved. This disclosure is not meant to scare or alarm you, but rather it is an effort to make you better informed so that you may give or withhold your consent/permission to use the drug(s) recommended to you by me, as your physician. For the purpose of this agreement the use of the word "physician" is defined to include not only my physician but also my physician's authorized associates, technical assistants, nurses, staff, and other health care providers as might be necessary or advisable to treat my condition.

_____ **CONSENT TO TREATMENT AND/OR DRUG THERAPY:** I voluntarily request my physician to treat my condition which has been explained to me as chronic pain. I hereby authorize and give my voluntary consent for my physician to administer or write prescription(s) for dangerous and/or controlled drugs (medications) as an element in the treatment of my chronic pain. It has been explained to me that these medication(s) include opioid/narcotic drug(s), which can be harmful if taken without medical supervision. I further understand that these medication(s) may lead to physical dependence and/or addiction and may, like other drugs used in the practice of medicine, produce adverse side effects or results. The alternative methods of treatment, the possible risks involved, and the possibilities of complications have been explained to me as listed below. I understand that this listing is not complete, and that it only describes the most common side effects or reactions, and that death is also a possibility as a result from taking these medication(s).

THE SPECIFIC MEDICATION(S) THAT MY PHYSICIAN PLANS TO PRESCRIBE WILL BE DESCRIBED AND DOCUMENTED SEPARATE FROM THIS AGREEMENT. THIS INCLUDES THE USE OF MEDICATIONS FOR PURPOSES DIFFERENT THAN WHAT HAVE BEEN APPROVED BY THE DRUG COMPANY AND THE GOVERNMENT (THIS IS SOMETIMES REFERRED TO AS "OFF-LABEL" PRESCRIBING). MY DOCTOR WILL EXPLAIN HIS TREATMENT PLAN(S) FOR ME AND DOCUMENT IT IN MY MEDICAL CHART.

_____ **I HAVE BEEN INFORMED AND UNDERSTAND** that I will undergo medical tests and examinations before and during my treatment. Those tests include random unannounced checks for drugs and psychological evaluations if and when it is deemed necessary, and I hereby give permission to perform the tests or my refusal may lead to termination of treatment. The presence of unauthorized substances may result in my being discharged from your care.

_____ **I UNDERSTAND THAT THE MOST COMMON SIDE EFFECTS THAT COULD OCCUR IN THE USE OF THE DRUGS USED IN MY TREATMENT INCLUDE BUT ARE NOT LIMITED TO THE FOLLOWING:** constipation, nausea, vomiting, excessive drowsiness, itching, urinary retention (inability to urinate), orthostatic hypotension (low blood pressure), arrhythmias (irregular heartbeat), insomnia, depression, impairment of reasoning and judgment, respiratory depression (slow or no breathing), impotence, tolerance to medication(s), physical and emotional dependence or even addiction, and

Patient Name: _____ Date of Birth: _____

death. I understand that it may be dangerous for me to operate an automobile or other machinery while using these medications and I may be impaired during all activities, including work.

FOR FEMALE PATIENTS ONLY:

_____ To the best of my knowledge **I AM NOT PREGNANT**. If I am not pregnant, I will use appropriate contraception/birth control during my course of treatment.

_____ I accept that it is **MY RESPONSIBILITY** to inform my physician immediately if I become pregnant.

_____ If I am pregnant or am uncertain, **I WILL NOTIFY MY PHYSICIAN IMMEDIATELY**. All of the above possible effects of medication(s) have been fully explained to me and I understand that, at present, there have not been enough studies conducted on the long-term use of many medication(s) i.e. opioids/narcotics to assure complete safety to my unborn child(ren). With full knowledge of this, I consent to its use and hold my physician harmless for injuries to the embryo/ fetus / baby.

_____ The **alternative methods** of treatment, the possible risks involved, and the possibilities of complications have been explained to me, and I still desire to receive medication(s) for the treatment of my chronic pain.

_____ The **goal** of this treatment is to help me gain control of my chronic pain in order to live a more productive and active life.

_____ **I REALIZE** that I may have a chronic illness and there is a limited chance for complete cure, but the goal of taking medication(s) on a regular basis is to reduce (but probably not eliminate) my pain so that I can enjoy an improved quality of life.

_____ **I REALIZE** that the treatment for some will require prolonged or continuous use of medication(s), but an appropriate treatment goal may also mean the eventual withdrawal from the use of all medication(s). My treatment plan will be tailored specifically for me.

_____ **I UNDERSTAND** that I may withdraw from this treatment plan and discontinue the use of the medication(s) at any time and that I will notify my physician of any discontinued use.

_____ **I FURTHER UNDERSTAND** that I will be provided medical supervision if needed when discontinuing medication use.

_____ **I UNDERSTAND** that no warranty or guarantee has been made to me as to the results of any drug therapy or cure of any condition. The long-term use of medications to treat chronic pain is controversial because of the uncertainty regarding the extent to which they provide long-term benefit.

_____ **I HAVE BEEN GIVEN THE OPPORTUNITY** to ask questions about my condition and treatment, risks of non-treatment and the drug therapy, medical treatment or diagnostic procedure(s) to be used to treat my condition, and the risks and hazards of such drug therapy, treatment and procedure(s), and I believe that I have sufficient information to give this informed consent.

ASSIGNMENT OF INSURANCE BENEFITS, CONSENT FOR TREATMENT, GUARANTY, AND STATEMENT OF SERVICE

Patient Name: _____

Date of Birth: _____

I hereby assign and authorize payment made directly to **Advanced Pain Care, Round Rock Surgery Center or Advanced Surgical Center** of all of my covered health insurance benefits including Medicare, Medicaid, Medigap, HSA, commercial, all third party payors, or private managed care plans and insurance whether payable directly to me by any or all third party payors.

I UNDERSTAND my health insurance plan or third party payors may not cover part or all of the medical services rendered. *I fully understand I am financially responsible for and agree to pay all charges not paid by my health insurance plans or payors, including deductibles and co-insurance regardless of reason given for non-payment. I agree to immediately forward all payments, explanations of benefits, and correspondence sent directly to me from any and all third party payors related to care rendered by Advanced Pain Care, Advanced Rheumatology Care, Round Rock Surgery Center, or Advanced Surgical Center and agree that failure to do so will make me responsible for the entire billed charge.* My assignment of benefits covers Advanced Pain Care, Advanced Rheumatology Care, Advanced Addictionology Care, Round Rock Surgery Center, or Advanced Surgical Center physicians and surgical center for all services now rendered and to be rendered in the future until this assignment is revoked. This assignment of benefits *supersedes* any previous assignments or agreements I made with my insurance company, including Blue Cross Blue Shield and their related companies or any other third party payor to pay me directly. A copy of this form shall be considered as valid as the original. I have received a copy of Advanced Pain Care, Advanced Rheumatology Care, or Round Rock Surgery Center’s patient information brochure.

I UNDERSTAND Advanced Pain Care, Advanced Rheumatology Care, Advanced Addictionology Care, Round Rock Surgery Center or Advanced Surgical Center, is a licensed surgical center and multi-specialty clinic and files claims on my behalf as a courtesy. I agree that I am financially responsible for any facility fees, laboratory test charges, and x-ray charges incurred on my behalf for care rendered. These charges will be in addition to charges for the care that the physicians at Advanced Pain Care, Advanced Rheumatology Care, or Round Rock Surgery Center provide. I further understand I may receive separate bills for each of these services, and that I am financially responsible for any services not covered by third party payors, including but not limited to my health insurance and/or managed care plans. I acknowledge *some or all of my care*, including surgical center facility fees, laboratory testing, x-rays, CT, DEXA, MRI, and physician services may be provided by out-of-network providers, and that I am financially responsible for any increased co-pays, deductibles, and non-covered services provided on an out-of-network basis.

I HAVE DISCLOSED the names of all my health insurance plans and third party payors, including secondary plans, and I represent such health care coverage is in full force and effect at this time. I also agree to promptly notify Advanced Pain Care, Advanced Rheumatology Care, Advanced Addictionology Care, Round Rock Surgery Center or Advanced Surgical Center, of any change in my health insurance plan and/or coverage as well as any changes in my address and phone number. I understand that my failure to do so may make me fully responsible for the *entire* bill. In consideration of the services furnished to me, I hereby agree to pay any balance due *within thirty (30) days* from presentation of my bill. If my account should become delinquent, and collection efforts become necessary, I agree to pay 1% per month delinquency charges and any reasonable collection and/or attorney fees incurred. I further agree that *TRAVIS COUNTY, TX* will be the venue for any collection efforts including small claims court and for any and all other litigation required to collect amounts due.

I UNDERSTAND it is ultimately my responsibility to obtain all required referral authorizations and/or precertifications for medical services that are required by my health insurance plan and/or third party payors. I acknowledge that this is *not* the responsibility of Advanced Pain Care, Advanced Rheumatology Care, Advanced Addictionology Care, Round Rock Surgery Center, or Advanced Surgical Center.

I ALSO ACKNOWLEDGE no guarantees have been made by any employee of Advanced Pain Care, Round Rock Surgery Center, or Advanced Surgical Center or any other party about: (1) my treatment; (2) whether it will be paid for by any third party payor(s) or health insurance plans; or (3) whether any care rendered by Advanced Pain Care, Advanced Rheumatology Care, Round Rock Surgery Center, or Advanced Surgical Center including but not limited to physician services, radiology services, and surgical center fees are in or out of network with my insurance plans.

I AGREE to fully cooperate with Advanced Pain Care, Advanced Rheumatology Care, Advanced Addictionology Care, Round Rock Surgery Center, or Advanced Surgical Center to assist in their efforts to get claims paid on my behalf but understand that ultimately I am financially responsible for, and agree to pay, and unconditionally guaranty payment, of all charges not paid by my health insurance plan or third party payors.
