LODGE AMENITIES **ONEEDGE**[®]

TEMPORARY WORKFORCE HOUSING

Cotton Logistics' upcoming OneLodge facility in Pecos is conveniently located within the city limits – located near retail centers, restaurants, gas stations, and other businesses. It is also convenient in proximity to many operating sites, reducing drive time for our clients' workforce in the area. This 160-bed lodge can be scaled up in size and additional facilities added as our clients' needs dictate.

160 bed workforce housing community

Gated entry/exit to the property with controlled supervision

On-site management office with 24-Hour camp manager and security

Customizable room configurations to meet the needs of your workforce

Private bathrooms for one or two persons

Flat screen TV's with satellite or cable in each guest room

Wireless internet access (in room & throughout the lodge)

Dining service prepared onsite by Cotton Culinary

Chef Manager and staff

Customizable menus and three meals provided daily including boxed lunch

24-Hour snack and beverage service

24-Hour indoor recreation center with lounge, billiards and exercise room

Proximity access cards for room and facility access and meal tracking

Outdoor pavilion, fire pit, basketball court and grilling area

On-site laundry facility; wash and fold service available

Multiple parking areas within close proximity of the facilities

Jobsite catering is available from Cotton Culinary for your crews' well site or other remote operating location. Utilizing a combination of Cotton-owned local kitchens, food storage trucks, temporary dining facilities, transport vehicles and a fleet of over two dozen mobile kitchen trailers for individual operating sites, Cotton Culinary has the unique capability of serving hot, freshly prepared meals to crews on-location. Through coordination with our Logistics division, our equipment and temporary facilities can be deployed rapidly, professionally and safely.

Prime land also available for new development. Contact us today to discuss your lodging needs or to check availability at one of our operating OneLodge communities
